

Abodeable Home to Open Retail Boutique in the Promenade at Bonita Bay in late 2025

Bonita Springs, November 3rd, 2025 – At Abodeable Home, every project begins with the belief that “your lifestyle is our design style.” Our firm is passionate about creating spaces that reflect the people who live in them—not the firm’s aesthetic. From moody and masculine to earthy, vibrant, or refined, our diverse portfolio is a testament to the power of listening, collaboration, and creative intuition.

With the combined strength of a design studio, construction team, and retail boutique, Abodeable delivers thoughtful, highly customized spaces with precision and artistry—resulting in interiors that are as functional as they are beautiful. Creative use of scale, space and materials, tailored furnishings, couture fabrics and custom cabinetry create an aesthetic abounding in livable luxury.

Visit our retail boutique in the Promenade at Bonita Bay to explore a thoughtfully curated selection of bespoke furnishings and distinctive home accessories—perfect for the discerning shopper seeking the ideal finishing touch.
